DBs - DISTRIBUTION BOARDS

(SPN, TPN & SINGLE DOOR, DOUBLE DOOR)

PARCOS Distribution Boards blend aesthetics, functionality and safety together. The Distribution Boards are manufactured with high precision and supreme quality metal sheets that also ensure anti-rust conditioning providing a long lasting strength. The DBs ensure easy installation with sturdy wall mounting cabinets for surface mounting, flush, or partly recessed applications. Streamlined design, stylish colour and impeccable protection in single or a double door option provide shelter for domestic or small commercial installations.
